EXPERIENCE

Downstreet Housing & Community Development; Barre VT (Remote)   Feb 2019 - June 2019
Salesforce Administrator
Installed and updated salesforce AppExchange Apps, ensuring smooth and effortless workflow. Configured and maintained user security permissions on AppExchange. Worked closely with staff in problem-solving / troubleshooting of the Salesforce platform. Created various Reports and Custom Report Types to generate documents through the Conga composer. Enabled access to Conga Composer.
- Conserved time and energy by generating Documents through Conga Composer and integrating them to the Homekeeper and Housing Counselor apps.
- Reduced errors and saved time by creating email templates, templates, and used Conga Composer to Auto populate/Merge.
